1. Introduction

The Shoreham Centre building is a focal point in the town, bringing the community together through multiple activities.

It is owned by the local authority and leased to the Shoreham Community Trust (SCT), and in 2015/16 was substantially refurbished by Adur District Council (ADC) with three objectives in mind:

Firstly, to improve the SCT's offer to the community, enhancing its quality and ability to be used by a wide range of hirers, community groups and voluntary organisations.

Secondly, to accommodate the local authority as its strategic base, serving the Adur District with customer council services.

Thirdly, to support a number of charitable bodies including Citizen Advice and 4Sight, by housing their business activities within the complex.

The net result is a lively hub for the town which offers leisure, civic and professional services of all kinds, being at the very heart of the town, district and wider community.

The trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting & Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard, applicable in the UK and Republic of Ireland (*FRS 102*) (*effective 1 January 2015*).

The Trust's constitution reflects the requirements of modern charity legislation and recommended good practice for a Charity.

Responsibility for the overall control of the Trust's affairs rests with the board of managing trustees, elected each year by the membership at the AGM. The Trustees herewith present their report, together with the Independently Examined Financial Statements of the Trust, for the financial year beginning on 1 April 2021 and ending on 31 March 2022.

2. Purpose of the Charity

The principal activity of the Trust in the period under review was that of running The Shoreham Centre in line with the Charity's objects which are to:

"Promote for the benefit of the inhabitants of Shoreham-by-Sea and neighbourhood without distinction of sex, colour, race or of political, religious or other opinions by associating the local authorities, voluntary organisations' and inhabitants in a common effort to advance education and to provide facilities in the interest of social welfare for recreation and leisure-time occupation with the object of improving the conditions of life of the said inhabitants."

Also "to co-operate with any statutory local authority in the maintenance and management of the premises known as The Shoreham Centre, 2 Pond Road, Shoreham by Sea, West Sussex BN43 5WU, for activities promoted by the company and its constituent bodies in the furtherance of the above objects."

3. Main Activities

We hire out rooms and space to local community groups to further our Charity objectives whereby people can come together to play, learn and celebrate.

Pond Café

Our Pond Cafe is a community cafe offering refreshments for those using the Centre. The finances of the cafe are held in a designated fund with any surplus used, as determined by the trustees, to further our primary charity objectives.

The Pond Café offers a popular service of refreshments and lunches for users of the Centre. In addition, the staff provide an outside catering service when requested and occasionally cater for larger community events held in The Shoreham Centre. Our hospitality portfolio continues to increase and is becoming a key part of the café's offering to local businesses and community groups who use the centre.

Skyway Gallery

After a period of team building and planning, the Skyway gallery was launched on 16th September 2016 and formally became part of the Shoreham Community Trust on 15th August 2017.

Skyway Gallery is a contemporary community centre gallery space, which provides a flexible and affordable context for the promotion of art and culture.

Skyway Gallery has two main purposes: The advancement of the arts & culture and the advancement of education in the arts. Our aim is to stimulate creativity, diversity and activity in the visual arts, as well as strengthening and promoting the well-being of the wider community. The Skyway Gallery exists within a public shared space and has a weekly average footfall of 1,000 to 1,500 people, therefore providing the opportunity for people who wouldn't normally be exposed to the visual arts to engage with a varied and changing body of work.

The Gallery also provides hire space with exhibition opportunities for art groups and clubs, educational establishments and individuals to exhibit, promote and on occasion sell their work during their exhibition period.

Other regular activities at The Shoreham Centre include:

- Arts and crafts
- Dance
- Drama
- Fitness classes & training
- Education
- Pre-school activities
- Music
- Public meetings
- Blood Donation
- Wednesday Market
- Martial arts
- Choir
- Skyway Gallery
- Wedding receptions
- Themed events

- Church services

4. Public Benefit Statement

The Trustees pay full regard to the Charity Commission's guidance on public benefit. They apply it in their general overview of the Trusts affairs and have done so directly in relevant areas of decision-making during the year.

5. Contributions made by Volunteers

The Trust has members who volunteer for a range of roles including preparing and running social events, distributing publicity, attending Skyway Gallery Exhibitions and maintaining the premises.

The management committee would like to record its great appreciation for the continued support given by unpaid volunteers who assist with the running of all aspects of The Shoreham Centre.

6. Main achievements

Principal Funding sources

The principal funding source is from room lettings to local community groups.

Fundraising events are held during the year and include a weekly Wednesday indoor market, craft fairs and other in events held by local charities and community groups.

The Pond Cafe, whilst not a principal funding source, is a relevant part of our funding for the users of the Centre. Skyway Gallery, although again is not a principal funding source, however, it exists within a public shared space and has a weekly average footfall of 1,000 to 1,500 people.

The Pond Café has grown in its reputation in providing a meeting place for the community. Mothers with their babies meet friends regularly in the café area for drinks and chats. We provide a regular roast dinner on Thursday lunchtimes at an affordable price, which is growing in popularity each week.

However due to the Covid pandemic the café has not been able to open fully due to the restrictions that were in place and has had to operate on a much smaller scale. This has impacted heavily on the income.

The Skyway Gallery exhibitions that were planned for 2020 were re-scheduled in 2022. From the opening of the gallery in 2016 to January 2022 the success of the gallery had been down to the hard work and dedication of volunteers. Due to the increasing workload and exhibition bookings the demand for a part time curator became apparent. In January 2022 Skyway Gallery appointed a part time Curator to manage the facility.

SCT Trading Limited is a new subsidiary company of Shoreham Community Trust. It was set up during 2019 to provide a licenced bar service for the users of Shoreham Community Trust to hire for their events. Any surplus for each year will be gifted to Shoreham Community Trust to improve the building and services SCT provide to the community. Approval for a gift transfer is actioned at the formal Annual General Meeting.

General

The building is in continuous use throughout the week, and full of many diverse community groups making great use of the space. The variety of these groups is in itself testament to the flexibility, affordability and quality of what the Centre can offer our community.

Due to the Covid pandemic the Centre had been forced to close at numerous times over the last 12 months to comply with the national lockdown rules and regulations. During this time the majority of staff were placed on furlough leave and Managers worked from home.

SCT followed the Government guidelines and invested in everything that was required to ensure the Centre was Covid Secure. During the lockdown periods Managers completed weekly H&S checks to ensure the Centre was compliant and ready to open when restrictions allowed.

SCT claimed and received Business Rate Support Grants from Adur and Worthing Council and Furlough support for wages from HMRC over the 12-month period.

8. Fundraising Objectives

General

Our fundraising activities allow us to put on events that are free for the public. We invite local, talented and inspirational people who want to contribute, being part of a community hub and part of the entertainment on event days. These events have been well received and grow every year, and we will continue to provide them. In previous years we had provided a Christmas Lunch on Christmas Day, which was free of charge to anyone who wishes to come along. The day is provided by volunteers, trustees and staff working together.

However, Christmas 2020 & 2021 The Shoreham Centre was closed due to Covid-19 government restrictions. The Bridge Public House were able to provide some Christmas Hampers to those who would have normally come to the Shoreham Centre for Christmas lunch on Christmas Day along with a Christmas meal which was delivered via volunteers and Age UK.

Pond Cafe

We provide good quality food and drinks at an affordable price and compare favourably with other providers in the community. We ensure our Pond Café provides regular meals for senior citizens in the community at an affordable community price.

9. Reserves Policy

The Directors / Trustees endeavour to maintain sufficient reserves in order to ensure that funds remain available to enable the centre to continue to operate in the furtherance of the objectives of the charity.

The reserves held are 3 months' worth of annual expenditure in line with Charity Commission recommendations. Approved by Trustees 15th August 2017.

With all the unforeseen disruption caused by the pandemic season, our Reserves Policy has proven to be a vital cushion in surviving the financial challenges of this season.

10. Principal Risk

Shoreham Community Trust's principal risk is that we still have no lease in place with Adur District Council. We requested to have a lease offering us 20-25 years but have only been offered 15 years in the draft documents so far. We will also need the management document to be workable for us if we are able to grow and not be restricted.

The Trust recognises the impact of the Coronavirus Pandemic and will ensure it places the safety of the staff, hirers and all visitors as our number one priority and will ensure compliance is followed, by additionally following Government guidelines at all times.

11. Structure, Governance & Management

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company (*limited by guarantee*) as defined by the Companies Act 2006.

Shoreham Community Trust is a company limited by guarantee governed by its Memorandum and Articles of Association dated 20th May 1998. It is registered as a charity with the Charity Commission.

During the year trustees considered issues relating to membership of the Trust and how to encourage this amongst hirers of the Centre, alongside individual membership. At a meeting of trustees, it was proposed to offer all hirers membership, without charge. If not already members, larger organisations or groups would be encouraged to organise representation from amongst their membership.

Anyone over the age of 18 can become a member of the charity. Please note, however, that voting rights at the AGM are restricted to the representatives who have signed the relevant documentation

stating they uphold the objectives of the Charity/Trust. Forms are available from the office at The Shoreham Centre.

Trustee Selection

At the AGM Trustees willing to stand may be reappointed by rotation for a further term by fellow Trustees. The optimum term is nine years, but Trusts can decide their own length of service criteria as appropriate.

When contemplating Trustee selection, the Board should actively consider aspects of diversity and inclusivity for the Board to be fully representative of the local community.

Trustee Induction and Training

New Trustees are obliged to undergo a systematic induction programme overseen by an existing Trustee. This includes the provision of a comprehensive data pack and facilities tour of the Centre including introductions to managers and staff.

Training programmes are available and offered on an ad hoc basis as required and appropriate.

Governance

All Policies and Documentation are electronically captured in the Governance Archive. This is updated on an ongoing basis and includes Charity Commission rules and guidelines and staff / employee policies.

The Centre Manager provides a tour of the building, during which time they meet key employees. Health & Safety and Safeguarding training are provided by the appropriate officer of the Trust.

12. Financial Review

The financial statements indicate that the charity achieved a loss of £16,694 during the year - compared with a loss of £50,617 for the previous year.

Our overall financial position reduced over 2021/22 year. This was due to the Covid pandemic and the direct impact this had on the business over the financial year. Due to the Government lockdowns the Centre had to close for some part of the 2021 and was not permitted to operate in any way during this time. When the Centre was permitted to open the restrictions and guidelines, we had to follow to be Covid Secure meant a large proportion of our business was not permitted to run so this put continued pressure on the business financially.

All the Trust's current assets and liabilities relate to delivery of its charitable aims and objectives. The Trust's direct expenses in providing charitable services are the personnel and other

costs involved in running The Shoreham Centre and in making its facilities available for community activities.

A detailed account of the activities and workings of the Shoreham Centre, along with information about its facilities, management and history, can be found on our website www.shorehamcentre.co.uk

13. Long Term Achievements

The most visible improvement over recent years has been the extension to The Shoreham Centre and the substantial refurbishment to the interior of the building that Adur District Council has provided.

The Shoreham Centre building is a focal point in the town, bringing the community together through multiple activities across the district.

The introduction of the Skyway Gallery has provided the building with a real cultural flourish of which the team are very proud.

Surrounding land which holds future development potential will only add to the long-term goal of the building being very much at the epicentre of this vibrant town.

Adur and Worthing Council, as part of their pledge to be carbon neutral by 2030 is using part of grant of more than £1.8m from the Public Sector Decarbonisation Scheme to Install a series of environmentally friendly air source heat pumps. These heat pumps will be installed to provide the bulk of the heating and hot water to the building which will result in lower carbon emissions.

14. Related Parties & Trustee Responsibilities

There have been no related party transactions in the financial year ending 31st March 2022.

Statement of the Trustees' Responsibilities

Company law requires Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently.
- observe the methods and principles in the Charity SORP.
- make judgements and estimates which are reasonable and prudent.
- prepare the financial statements on a "going-concern" basis (*unless it is inappropriate to presume that the charitable company will continue in operation*).

The Trustees are also responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the charitable company, and which enable them both to ascertain the financial position of the charitable company and to ensure that the financial statements comply with the Charities Act.

The Trustees are responsible for safeguarding the assets of the charity - and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies. The trustees declare that they have approved the annual report at their board of trustees meeting in xxxxx and signed on its behalf by Matt Davis (Chair) and Janice Roberts (Treasurer).

15. Declarations

Notes to the Accounts

Expenditure

Recognition of expenditure All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities, they have been allocated on a basis consistent with the use of the resources.

Governance costs Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements

Taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

Tangible fixed assets and depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Property improvement	10% Straight line
Computer and website design	25% Reducing balance
Fixtures and fittings	25% Reducing balance

Pension costs

The charity operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payments obligations. The contributions are recognised as expenses when they fall due. Amounts not paid are shown in accruals in the balance sheet. The assets of the plan are held separately from the company in independently administered funds.

Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.

2 Company status

The company is a private company limited by guarantee and consequently does not have share capital.
